

HOUSEHOLD HAZARDOUS WASTE COLLECTION
SATURDAY, JULY 8, 2023
9:00 AM – 1:00 PM

Township officials recognize the need to provide homeowners with a safe and economical disposal method for household hazardous waste products which is an ongoing problem. The improper disposal of household hazardous waste (HHW) such as pouring the material down the drain, on the ground, into the storm sewers, or placing them out with the trash can pollute the environment and pose a threat to human health. To address this concern, South Park Township will be holding a household hazardous waste collection event on Saturday, July 8, 2023, from 9:00 a.m. to 1:00 p.m. The event, which is separate from the electronic waste collection event, will be held in the parking lot of the Public Works Garage located in the Municipal Complex, 2675 Brownsville Road.

Typical examples of HHW include household cleaning products, aerosols, pool chemicals, paints, driveway sealer, automotive fluids, indoor pesticides, etc.

Items that WILL NOT BE ACCEPTED INCLUDE: explosives, radioactive material, ammunition, fire extinguishers, tires, medical waste, syringes, Mercury containing devices, or smoke detectors.

There is a cost associated with the disposal of HHW which is as follows:

Household Hazardous Waste: (Pesticides, acids, caustics, bases, waste oils, etc.)	\$1.90 per pound
Universal Waste (fluorescent bulbs & batteries):	\$1.50 per pound
Waste Paint	\$1.30 per pound
Small Freon Containing Devices:	\$0.60 per pound
Propane Tanks	\$10.00 each

PRE-REGISTRATION IS REQUIRED BY VISITING WWW.NOBLEENVIRO.COM OR BY CALLING 412-567-6566 to schedule an appointment.
