

Pennsylvania American Water Company Pipeline Projects

The Pennsylvania American Water Company will be replacing aging pipelines at the end of September through mid-November 2020 on the following streets. Final street restoration will take place later this year. Work hours will be Monday through Friday, from 7:00 a.m. to 7:00 p.m.:

Broad Street (between Washington Ave. & Main Blvd.) – Replacing 1,300 feet of aging 8-inch with new 8-inch main.

Crestview Drive – Replacing 2,500 feet of aging 6-inch main with new 8-inch main.

Pleasant Street (between Whitewood St. & Roosevelt Ave.) – Replacing 600 feet of aging 8-inch main with new 8-inch main.

Roosevelt Avenue – Replacing 1,260 feet of aging 8-inch main with new 8-inch main.

Washington Avenue – Replacing 700 feet of aging 8-inch main with new 8-inch main.

Whitewood Street – Replacing 900 feet of aging 6-inch main with new 8-inch & 4-inch main.

For more information, call 1-800-565-7292, Monday through Friday, 7:00 am - 7:00 pm.
